**Subject:** School Street - ZBA Hearing 5/11

Sue,

Good morning. A few notes as we approach this week's ZBA hearing:

- The wildlife habitat report has not been issued and that work remains ongoing.
- We intend to review our 4/26/22 Environment letter with the Board. The Applicant has not yet formally responded.
- This hearing will mark the 3<sup>rd</sup> hearing B+T has participated in for the Civil and Environmental reviews per our agreement. Though we continue to track on budget, additional hearings may warrant an additional services request.

Let us know if there are any questions or concerns in the meantime. Thanks.
