Subject: Shingle Hill

You don't often get email from shdrickson@comcast.net. Learn why this is important

I wish to go on record as a resident and taxpayer in Manchester-by-the-Sea in support of the Zoning Board of Appeals to DENY the comprehensive permit, including a denial of the wetlands bylaw waiver requests. Protection of our natural resources is our responsibility. So many have worked, so hard, over the years to create the conservation land so many enjoy.

Susan H. Harrington
