## Motion

Rebecca Jaques, Chair of the Select Board moved and Sarah Mellish, Chair of the Finance Committee seconded that the town raise by taxation or otherwise to pay Town debts and charges for the ensuing 12 months, effective July 1, 2023, and appropriate the same as presented in the "Expenses Budget Summary" section under the "recommended" and "funding sources" columns of the Finance Committee Report, page 28 & 29 under Article 4, provided however that, with prior approval of the Select Board and the Finance Committee, the Town Administrator is authorized to transfer unexpended funds within a summary category (for example, within General Government).

#### Discussion

Sarah Mellish, Chair of the Finance Committee explained that overall expenses are up 3%. The main drivers of this are increased staffing for the Police Department due to the loss of reserve officers as a result of Police Reform (however, the extra costs here are more than offset by the savings from moving dispatch to the regional center), added staffing to the Fire Department (2 more fire fighters), bringing the total to 16, a 33% increase over the past three years and funds to re-establish a call force, and paying for a full-time health agent which had previously been funded using federal ARPA funds.

There were "holds" placed on the following line items:

#37 Harbormaster expenses; Tim Gates, 2 Desmond Avenue proposed that the Town look into setting up some funding source to allow for a Harbormaster office and public restrooms at Reed Park. #63 Health Salaries; Isabella Bates, 2 Masconomo Street questioned the doubling of the salaries in the Health Department. Town Administrator Greg Federspiel explained that the Town now has a fulltime health agent. This position was paid for with ARPA funds in FY2023 but will need to be funded through our budget going forward.

#73 & 75 Singing Beach Salaries & Lifeguards Salaries; Donna Furse, 8 Blossom Lane questioned the increase in salary lines. Town Administrator Greg Federspiel explained that we did not increase the number of employees but the wages for our summer help to attract qualified candidates.

## Vote

Article 4 was approved with a majority vote; 264 yes, 15 no, 5 abstentions.

# **ARTICLE 5**

To see if the Town will vote to raise and appropriate the sums of money called for under the following items, or any other sums, for the purposes indicated, and to determine whether the money shall be provided by taxation, by appropriation from available funds in the Treasury, or by borrowing; or take any other action relative thereto:

Per petition of the Select Board

## Motion

Ann Harrison, Vice Chair of the Select Board moved, and Brian Sollosy, Select Board member seconded that the Town raise by taxation or otherwise to pay for the items listed and appropriate the same as presented in the "Recommended" and "Funding Source" columns of Article 5 as presented in the Warrant with the following modifications:

Item 14: \$300,000 from Fund Balance and \$100,000 from Park & Recreation Revolving Fund Item 16: \$200,000 from Taxation Item 19: \$ 88,200 from Taxation Item 22: \$ 50,000 from Fund Balance and \$50,000 from Waterway Fund Item 24: \$1,600,000 from Taxation, and \$275,000 from Water Enterprise Retained Earnings

#### Discussion

Ms. Harrison spoke about the disagreement on the funding sources for items #16 Fire Safety Replacement Fund and #19 Replacement Police Vehicles (2) between the majority of the Select Board and the Finance Committee. The majority of the Select Board would prefer to maintain the monies in the Fund Balance for future capital expenses and emergencies.

#### Amendment

Sarah Mellish, Chair of the Finance Committee moved to amend the main motion by funding Items 16 and 19 from Fund Balance instead of from Taxation. Andy Oldeman seconded.

#### Discussion

Ms. Mellish stated that the Finance Committee believed that the Reserve Fund would be robust even after these expenditures.

Residents Marty Flood, 31 Hickory Hill Road and Tom Kehoe, 20 Lincoln Street requested why the Select Board would prefer to tax residents and if there would be enough in reserves to cover these expenses. Ms. Harrison replied that the Town has been gradually increasing the amount of taxation being devoted to capital in order to make progress on a long list of capital needs and because of the amount of projects still in line they felt the Town should continue this practice.

A motion to move the question was heard and seconded. That vote passed by more than two-thirds (252 yes 29 no 8 abstentions)

Prior to the vote on the amendment Christina Delisio, 6 Lincoln Ave requested a clarification that a "yes" vote will result in a 2% tax rate increase and a "no" vote will impose a 3% tax rate increase. The Moderator confirmed that this was correct.

## Vote on the Amendment

Passed by a majority vote of 251 yes, 39 no and 0 abstentions.

## Discussion on the rest of the Main Motion

#2 DPW Facility Design work; Sandy Rogers, 82 Old Essex Road questioned the chart, and which amount they were voting on, recommended or requested. Town Moderator Alan Wilson clarified that in the motion it states the "recommended" amounts were being voted on.

#3 Drainage/Sidewalk Improvements.

#### Amendment

John Keefe, 8 Victoria Road moved to remove \$150K from Line Item #3 Drainage/Sidewalk Improvement and add it to line #4 Storm Damage Repair. The motion received a second. **Discussion** 

The Town Administrator and DPW Director explained that if there was a large storm oftentimes there would be emergency aid to assist and that would also be the time to use the emergency funds and therefore they would not recommend this transfer of funds. Caitlin Eppes, 26 Proctor Street spoke against the amendment and appreciates the sidewalk improvements especially for her family.

#### Vote on the Amendment

Failed by a vote of 41 yes, 238 no, 6 abstentions.

#13 Chowder House/Restrooms Roofs; Judy Sabella, 15 Rosedale Street questioned whether the line item is the same one that is in the CPC Article 8. Town Administrator Greg Federspiel explained that this project is in two articles because the funding sources are to be shared between capital and CPC grants.

#14 Brook Street Turf Replacement.

#### Amendment

John Keefe, 8 Victoria Road moved to eliminate the funding for this project by reducing #14 from \$400,000 to 0. Motion was seconded.

#### Discussion

Mr. Keefe mentioned his concern for PFAS coming from the turfs.

Nathan Fanton,10 University Lane questioned the safety and use of the fields currently and if it could be used as is.

Greg Federspiel, Town Administrator explained that the old materials would be removed and that the new materials must be certified to be PFAS free.

Avi Urbas, Director of Finance for the School District explained that the fields are safe but beyond their useful life. He also provided details on the proposed replacement of the artificial turf which includes a certificate from the contractor to not use any product with PFAS.

Residents in favor of this expenditure were John Harden of 54 School Street, Marty Flood of 31 Hickory Hill Road, Sarah Creighton of 37 Proctor Street and Matthew Harrington of 103 Old Essex Road.

## Vote on the Amendment

Failed by a vote of 36 yes, 238 no, 8 abstentions.

#24 Pipe Replacement/Improvement; Mary Foley, 1 Pulaski Drive questioned the breakdown of monies between pipe work and efforts related to PFAS in our water supply. Chuck Dam, DPW Director, Greg Federspiel Town Administrator and Tom Kehoe of 6 Lincoln Ave explained that the plan is a bit up in the air due to the new EPA regulations that have just been proposed. While the original plan was to reline the main on Pleasant Street, there may be a need to do additional work along Pleasant Street depending on the solution we pursue for PFAS removal. Mr. Federspiel also noted that the Town is reaching out to Congressman Seth Moulton for help in securing possible grant funding to comply with these new regulations.

#### Vote

Article 5 as amended was approved with a majority vote; 268 yes, 9 no, 6 abstentions.

Massachusetts with Respect to the Formation of a Regional School District", as most recently amended, by invoking and approving the provision found in paragraph four of MGL c. 71, § 16B allowing District members "to reallocate the sum of their required local contributions to the District in accordance with the regional agreement", for the fiscal year beginning July first, two thousand twenty-three; or take any other action relative thereto.

The Select Board and Finance Committee recommended approval on all three motions.

Chris Reed of the Manchester Essex Regional School Committee moved and Matthew Harrington, also of the Manchester Essex Regional School Committee seconded that the town approve the assessment calculation in accordance with the "Agreement Between the Towns of Essex and Manchester-by-the-Sea, Massachusetts with Respect to the Formation of a Regional School District", by invoking and approving the provision found in paragraph four of G.L. c. 71, § 16B allowing District members "to reallocate the sum of their required local contributions to the district in accordance with the regional agreement", for the fiscal year beginning July first, two thousand twenty-three.

# Vote

Article 6, Motion 1 was approved with a majority vote; 258 yes, 8 no, 6 abstentions.

## Motion #2

Chris Reed of the Manchester Essex Regional School Committee moved and Matthew Harrington, also of the Manchester Essex Regional School Committee seconded that the Town raise and appropriate \$16,535,944 to fund the Town's assessment from the Manchester Essex Regional School District for the fiscal year beginning July first, two thousand twenty-three for the gross operating and maintenance budget.

## Discussion

Mr. Reed thanked the community for their support of the schools and described the academic successes of the schools. Mr. Reed explained that the 3.94% assessment is in part due to the discontinued use of the District's reserve funds for operating expenses.

## Vote

Article 6, Motion 2 was approved with a majority vote; 224 yes, 28 no, 15 abstentions.

## Motion #3

Chris Reed of the Manchester Essex Regional School Committee moved and Matthew Harrington, also of the Manchester Essex Regional School Committee seconded that the Town raise and appropriate \$2,787,440 to fund the Town's assessment from the Manchester Essex Regional School District to cover the long-term and short-term debt for the fiscal year beginning July first, two thousand twenty-three.

Article 6, Motion 3 was approved with a majority vote; 227 yes, 26 no, 11 abstentions.

# ARTICLE 7

To see if the Town will vote to approve the indebtedness authorized by the Regional District School Committee of the Manchester Essex Regional School District to pay costs of renovating and making extraordinary repairs and other improvements to the District's outdoor athletic facilities, and for the

payment of all costs incidental and related thereto, or to take any other action relative in connection therewith.

Per petition of the Manchester-Essex Regional School Committee

## Recommendation

The Finance Committee and Select Board recommended approval.

## Motion

Chris Reed of the Manchester Essex Regional School Committee moves and Matthew Harrington, also of the Manchester Essex Regional School Committee seconds that the Town approves the \$1,600,000 indebtedness authorized by the Manchester Essex Regional School District to pay costs of renovating and making extraordinary repairs and other improvements to the District's outdoor athletic facilities, and for the payment of all costs incidental and related thereto, the Town's estimated share of the principal amount of such indebtedness, after the application of all presently anticipated contributions, is approximately \$796,740, provided however that such approval is contingent upon the Town's passage of a Proposition 2 ½ debt exclusion referendum question in accordance with the provisions of G.L. c.59, \$21C(k), for its share of the indebtedness.

## Discussion

Mr. Reed explained that the artificial turf at both the Middle/High school campus and Coach Field fields have surpassed their useful life and need to be replaced. The Regional School Committee voted to fund this through borrowing. The cost of this new debt service will be less than the reduction in debt service on the bond issued to build the Middle/High School.

Moderator Wilson explained that under the Manchester-Essex Regional School Agreement, approval of the borrowing at town meeting requires a 2/3 vote. The motion is contingent on approval of a debt exclusion under Proposition 2 <sup>1</sup>/<sub>2</sub>; that will require a simple majority vote at the town election.

James Brady, 10 Lincoln Avenue, Phil Furse, 8 Blossom Lane and Ana Lin Mitchell 2 Brice Street preferred that the School District use their reserves to pay for the turf replacement project rather than borrow the needed funds. Avi Urbas, Director of Finance & Operations for the School District, replied stating that the District prefers to follow financial responsibility and maintain a certain amount of reserves. Mr. Urbas also mentioned that the District is looking ahead to a possible elementary school building project in Essex in the next few years and reserves will be needed. Pam Beaudoin, District Superintendent added that because Essex may not approve the proposed operating budget, the reserves may be needed to fund operations despite the District's desire not to continue this unsustainable practice.

After some discussion on what will occur in Essex, Eli Boling, 99 Pleasant Street stated that he supports this financial plan because drawing on reserves is never a good idea.

Sarah Creighton, 37 Proctor Street moved the question. It was seconded and passed by more than two-thirds, with 349 yes, 15 no, 2 abstentions.

# Vote

Article 7 was approved with more than a two-thirds vote; 211 yes, 49 no, 3 abstentions.

# Motion

Ann Harrison, Vice-Chair of the Select Board moved, and Catherine Bilotta, Select Board member seconded the article as presented in the Warrant.

## Discussion

Ms. Harrison explained that because a sprinkler system is the most effective way to maintain fire safety, Fire Chief Jason Cleary requested that we bring this article to the voters.

Town Counsel explained that this language recites the statutory language.

# Recommendation

The Finance Committee and Select Board recommended approval.

# Motion

Catherine Bilotta, Select Board member moved, and Rebecca Jaques, Chair of the Select Board seconded the article as presented in the Warrant.

Isabella Bates, 2 Masconomo Street, Alida Bryant, 57 Old Essex Road and Laura Tenny, 86 Pine Street both spoke in favor of the motion.

Per the petition of the Select Board

## Recommendation

The Finance Committee and Select Board recommended approval.

## Motion

Ann Harrison, Vice-Chair of the Select Board moved, and Brian Sollosy, Select Board member seconded the article as presented in the Warrant.

## Discussion

Ms. Harrison explained that by approving this article it would be possible for residents along a road without town water lines to seek approval for the Town to install a public water line and the residents would reimburse the Town through betterments placed on their property taxes.

Ms. Harrison explained that the Town already allows funding of extending sewer lines through betterments; this proposal would provide consistency for water lines.

Sandy Rogers, 82 Old Essex Road, asked whether 100% of the cost would be paid by residents served by the new water line or whether the Town would pay some of the cost. Town Administrator Federspiel replied that the Select Board's practice (acting in their capacity as Sewer Commissioners) had always required that residents pay the full cost. The use of any town funds would first have to be approved by the voters at a town meeting.

# Vote

Article 16 was approved with a majority vote; 195 yes, 11 no, 4 abstentions.

# ARTICLE 17

To see if the Town will vote to amend the Zoning By-laws, by adding a new Section 8.6 Adult Entertainment to provide regulations of such establishments by special permit of the Planning Board; or take any other action relative thereto.

health, adverse impacts on business climate of the Town, adverse impacts of property values of residential and commercial properties, and adverse impacts on the quality of life in the Town) which typically accompany and are brought about by the concentration of sexually oriented businesses. All of said secondary impacts are adverse to the health, safety and general welfare of the Town and its residents.

Furthermore, the provisions of this By-law have neither the purpose or intent of imposing a limitation on the content of any communicative matter or materials, including sexually oriented matter or materials. Similarly, it is not the purpose and intent of this By-law to restrict or deny access by adults to Adult Entertainment Establishments or to sexually oriented matter or materials that are protected by the Constitution of the United States of America or of the Commonwealth of Massachusetts, nor to restrict or deny rights that distributors or exhibitors of such matter or materials may have to sell, rent, distribute or exhibit such matter or materials. Adult Entertainment Establishments shall be allowed in the Limited Commercial District as a Special Permit only, provided that the following locational standards, site appearance criteria and other conditions are complied with:

8.6.3.1 No structure containing an Adult Entertainment Establishment shall be permitted within any of Manchester by the Sea's School Zones, 1,000 ft. of the property line of a church or place of worship, parish house or convent, a public, parochial or private school, another structure containing an adult use, a structure proposed to contain an adult use for which a building permit has been applied for, or 400' of a residence or child day care facility. 8.6.3.4 No one under the age of eighteen (18) shall be permitted inside such a use and a procedure shall be developed to keep those under eighteen (18) from entering the building.

8.6.3.5 Adult Entertainment Establishments which have been established at their existing locations prior to the effective date of this By-Law and which are not in conformity with the requirements of

this By-law, may continue to operate until one year after the effective date of this By-law. Thereafter, unless any such Adult Entertainment Establishment conforms to the provisions of this By-Law, it shall no longer be permitted to operate.

8.6.3.6 Said Board shall prohibit the issuance of such special permits to any person convicted of violating the provisions of MGL section sixty-three of chapter one hundred and nineteen or MGL section twenty-eight of chapter two hundred and seventy-two.

8.6.4. Restrictions on Other Retail Uses.

For those retail uses permitted by right in the General and Limited Commercial Districts which sell sexually explicit goods and paraphernalia but do not meet the 25% thresholds outlined in Section 8.6.2, such goods and paraphernalia shall be located either behind a counter, or in a separate room or enclosure where citizens under the age of 18 are not allowed to enter. Such sexually explicit goods and paraphernalia must be located so that the materials in question are not within view of minors or readily visible to children.

8.6.5 The measure of distance between any adult use and other named point of reference shall be measured in a straight line.

8.6.6 Once established in a permitted location under this Ordinance, an adult use operating as a conforming use is not rendered a non-conforming use by the subsequent location of:

A. A church or place of worship, parish house or convent within 1,000 ft.

B. A residence or child day care facility within 400 ft.

C. A public, parochial, or private school within 1,000 ft. or the designation of a School Zone within 1,000 ft.

8.6.7 Violation of the use provisions of this ordinance is declared to be a public nuisance per se, which shall be abated by the Town by way of civil abatement procedures.

8.6.8 Nothing in this Ordinance is intended to authorize, legalize, or permit the establishment, operation, or maintenance of any business, building or use which violates any Town of Manchester by the Sea bylaw or the Commonwealth of Massachusetts regarding public nuisances, sexual conduct, lewdness or obscene or harmful matter or the exhibition or public display thereof.

8.6.9 If any section, subsection, sentence, clause, phrase, or any portion of this Bylaw is for any reason held to be invalid or unconstitutional by the decision of any court or competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Bylaw.

#### Recommendation

The Finance Committee took no position and the Select and Planning Boards recommended approval.

## Motion

Susan Philbrick of the Planning Board moved, and Ron Mastrogiacomo, Chair of the Planning Board seconded the article as presented in the Warrant.

#### Discussion

Moderator Wilson explained that the Planning Board did hold the statutory public hearing on February 27, 2023, and recommended approval. He also noted that amending the Zoning By-law requires a 2/3 majority under the Zoning Enabling Act, M.G.L. Ch. 40A, §5.

Ms. Philbrick explained that this is a new bylaw that is proactive to protect our Town from a potential adult entertainment application. Presently, the Town does not have any recourse if an application did come.

## Amendment

John Keefe, 8 Victoria Road moved to amend the bylaw by changing the 400-foot distance from a residence or child day care facility in sections 8.6.6B and 8.6.3.1 to 1,000 feet. The amendment was seconded.

## Discussion

Town Counsel was unsure of whether the Attorney General would accept that change and if they did, would it affect the complete bylaw or just those sections.

Moderator Wilson explained that while the main motion would require approval by a 2/3 vote, the amendment needed only a simple majority for adoption.

## Vote on the Amendment

Moderator Wilson stated that the amendment prevailed by majority vote, 129 to 63, 6 abstentions. **Vote** 

Moderator Wilson declared that the main motion as amended prevailed by more than a two-thirds vote, 192 yes, 8 no, 1 abstention.

# **ARTICLE 18**

To see if the Town will modify the Zoning Bylaws by amending section 9.1.2: Accessory Dwelling Units in Single Residences Districts A, B, C, and E of the Zoning By-Laws as follows; or take any other action relative thereto:

Deleting Section 9.1.2.2 (a) "Except in Single Residential District E, the lot size shall be two (2) times the minimum lot size as determined by zoning regulations" and replacing it with a new Section 9.1.2.2 (a) as follows: Except in Single Residential District E, the lot size shall meet the minimum lot size requirement within the zoning regulations for the district."

Amending 9.1.2.2 (b) by deleting "the single family dwelling shall have existed on the lot as of March 1, 1984" and replacing it with "The single family dwelling shall have existed on the lot with an occupancy permit for five (5) or more years.

Adding to Section 9.1.2.2 (d) a second sentence. The new sentence reads as follows: "The second unit shall be subject to a lease of at least twelve (12) months in duration, pursuant to applicable regulations."

Thus, the amended section 9.1.2 is proposed to be as follows with the new wording in bold:

9.1.2 Accessory Dwelling Units in Single Residence Districts A, B, C, and E:

9.1.2.1 An owner or owners of a single-family dwelling in Single Residence Districts A, B, C, and E may apply to the Board of Appeals for a Special Permit for the construction of one accessory dwelling unit in such single family dwelling.

9.1.2.2 After notice and public hearing the Board of Appeals may grant such a permit provided that: (a) Except in Single Residential District E, the lots size shall meet the minimum lot size requirement within the zoning regulations for the district.

(b) The single-family dwelling shall have existed on the lot with an occupancy permit for five (5) or more years.

(c) Off-street parking for at least four (4) vehicles shall be provided in a manner consistent with the character of a single-family dwelling.

(d) Either the accessory dwelling unit or the main dwelling shall be occupied by the owner of the property except for temporary absences of up to one year. The second unit shall be subject to a lease of at least twelve (12) months in duration, pursuant to applicable regulations.

(e) The construction and occupancy of the accessory dwelling unit will not be detrimental to the neighborhood or injurious to persons or property.

(f) The accessory dwelling unit is accessory to the principal residence. The floor area of the accessory dwelling unit will not exceed 35% of the floor area of the principal dwelling and the accessory dwelling unit combined.

(g) No exterior changes shall be made which alter the single-family character of the dwelling. Any additions made shall not increase the floor area or volume by more than 10% and shall meet all applicable setback requirements.

(h) Adequate provisions shall be made for the disposal of sewage, waste and drainage caused by the occupancy of such dwelling unit.

(i) There is no other accessory dwelling unit in the dwelling.
